Education

Graphic Era Hill University – B.Tech, Computer Science (2022-2026) | CGPA: 8.24/10
College of Commerce, Arts and Science – 12th (2022) | 83%
St. Joseph's High School – 10th (2020) | 88.5%

Technical Skills

- **Programming:** Python, C++, C, JavaScript, Java, HTML, CSS

- **Frameworks & Tools:** TensorFlow, PyTorch, Keras, Git, Linux, MySQL,CNNS

- **Core Areas:** Data Structures & Algorithms, Cloud Computing, Cryptography

---

Projects

Plant Seed Disease Detection – Built a CNN model for accurate seed classification, optimizing agricultural analysis.
Weather App – Developed a real-time weather application using JavaScript, HTML, and CSS.
Tour & Travel Website – Designed an interactive front-end travel booking platform.

Research & Publications

- **Exploring the Universe in Virtual Reality** – Research paper on VR applications in space exploration and education.

Certifications & Achievements

- Google Cloud Computing & Cyber Security (Swayam NPTEL)

- Solved **200+ LeetCode** problems

- **NSS B Certificate**

- G20 Symposium on Digital Agriculture

- Hackathon Participant

Interests

Coding, Problem-Solving, Team Management, Leadership, Continuous Learning
